

ANNIE GETS HER MAN

Many new faces will be seen in Chelmsford Amateur Operatic Society's production of "Annie Get Your Gun," which is being produced next Spring. The cast has just been settled. "Annie" will be played by PAMELA GARDNER (above), of East Hanningfield. Her leading man, "Frank," will be taken by FRED. COSTELLO, of Brentwood, an actor of great experience who, as a professional, played the same part in the original production on the London stage.
