President :

COUNCILLOR SIDNEY C. TAYLOR

To all Members

The Committee feels that largely owing to the National crisis at the time of the recent General Meeting, many members wishing to be present were prevented from attending.

For this reason, I am circulating a résumé of the arrangements for the audition for intending participants in our forthcoming production of "The Belle of New York." These arrangements have been slightly modified since the General Meeting.

The audition will take place on Sunday, October 23rd, at Cannons Restaurant.

Members wishing to play principal parts should attend the audition between 2.30 and 4 p.m.

Members wishing to play in the chorus should attend between 5.30 and 6.30 p.m.

Old members applying for inclusion in the chorus will not be required by the casting committee to sing or read excerpts, but are asked to attend the audition and apply for inclusion personally.

Members, whether attending the audition or not, are requested to fill in the enclosed pre-paid postcard and return it to me before Wednesday, the 19th October.

Scores and libretti may be ordered from me, price 6/8 and 2/6 respectively.

Prospective new members will be welcome at the audition.

V. J. COOPER,
Hon. Sec.
