

TO ALL MEMBERS.

At a recent Meeting of the Committee of the Society, it was generally agreed that it might now be possible to resume some activity.

The amount of enthusiasm existing among the members and the degree of support which would be forthcoming is unknown, and a Meeting has been arranged to give members an opportunity to get together and discuss their views with the Committee.

This Meeting will be quite informal and will take place at 7.30 P.M. on Friday, April 19th, 1940, at the Ritz Cinema Ballroom. The Meeting will be followed by a Social - Dancing - Games - Cabaret, Refreshments - Bar, which will last until midnight. A charge of 2/6. inclusive per head is being made for the Social, and in view of the limited accommodation, members are requested, in their own interests, to obtain their tickets before the day from any member of the Committee. Friends of members who are interested in the activities of the Society, are cordially invited.

The Committee is open to receive suggestions for discussion.
