

# “ The Gondoliers ”

## Finale

A slight loss will probably be made on the Chelmsford Amateur Operatic and Dramatic Society's production of “ The Gondoliers ” at the Regent Theatre last week.

Only 4,500 attended the show, about 1,100 fewer than usual. On the last night the cast received a magnificent tribute in the form of many bouquets, and were congratulated by Mr. Fred Kearsley, who deputed for the President, Dr. John Taylor.

The company intend to produce “ Blythe Spirit ” in November and “ Worm's Eye View ” next February.
