WILL STAR IN NEW SHOW

Mezzo-Soprano

TWENTY-FOUR-YEAR-OLD Vera Stock, dark, with the traditionally flashing eyes, is the mezzo-soprano whose voice will be heard at the Regent Theatre, Chelmsford, next week, in the dawn sequence of the opening of Act Two—a high spot of the Chelmsford Operatic Society's "Virginia."

She lives with her mother in Warwick Square, Chelmsford, and is secretary to the managing director of British Vitamin Products.
