

Many Thanks to all at Chelmsford AODS for the opportunity to see Kipps on the 25th March. I thoroughly enjoyed the production and the opportunity to get to meet the cast at the end to pass on my appreciation and that of NODA in the form of a centenary certificate.

I know at the moment with all the uncertainty that getting a production to stage is no mean feat and you are to be congratulated for this achievement.

Please pass onto the whole cast and committee my sincere thanks for a job well done. Good luck with future endeavours,

Gordon
Richardson
